Daily Vehicle Disinfection & Maintenance

Vehicles are cleaned inside and out, disinfected prior to show opening and cleaned & disinfected hourly throughout the day up to one hour before show closing. Double up service with two different teams! A cleaning team to keep your vehicles sparkling clean, and a disinfection team to keep your vehicles sanitized!

Vehicle Disinfection with Electrostatic Sprayers

Complete elimination of all pathogens from vehicle. This program is a disinfection performed once a day on each vehicle to completely disinfect vehicle prior to show opening. Combine this service with Program A or A Plus for “Best Practice” maximum protection!

Let’s Disinfect staff are trained and certified in infectious disease prevention and disinfection. We use disinfecting chemicals that are effective, but will not harm surface materials throughout a vehicle interior.

Let’s-Disinfect is fully insured with liability and workman’s compensation.

Let’s Disinfect will act in accordance with the CDC and applicable policies and procedures for disinfecting and sanitizing vehicles. As a result, you are agreeing that Let’s-Disinfect will not be held liable for any claims, causes of action, costs, or expenses that may arise from the events that we participate in.
